It has come to my attention that Charlotte Woods has been maliciously spreading rumors through lies and innuendos about me that are not only false but slanderous. Like Mike Nifong, whom she has so vehemently criticized in the past, Charlotte Woods has similarly formulated a theory and made the "facts" fit her theory.

I will not tolerate such actions and therefore she has been served by my attorney with the following letter. I want you to be aware of this.

If she has told you anything derogatory about me, it is in your best interest to not believe it or repeated it.
